If you cannot adopt, please visit our website to sponsor a dog

**DUKE - GSPCA (09096 76397)**

Male German Shepherd Cross, 2+.  
Needs experienced owner.

**JOKER - GSPCA (09096 76397)**

Male Collie. Joker came to us after being found with a very badly broken leg. He is recovering really well and is ready to find his forever home. He will probably never be the fastest dog but he make up for that with affection and loyalty. He would suit a family with older children and it is probably best that he is the only dog.

**BRUNO - GSPCA (09096 76397)**

Isn't Bruno a handsome boy, he is very chilled out and just loves romping and playing. Again suitable to an adult who can give him time and company.

**BUSKER - GSPCA (09096 76397)**

Male Lab mix. Busker is full of the joys of life. He is a very friendly, playful and happy boy who would like to find a forever home asap. His size and enthusiasm puts people off at first glance but spend a minute getting to know him and you will find that you wont find a better companion!

**SUE ELLEN - GSPCA (09096 76397)**

Female Collie

Very nervous but equally as sweet.  
Fine with other dogs.  
Too nervous at present to try with small children.

**SHEP - GSPCA (09096 76397)**

Male. Neutered Black & White Collie X. 5 years. Friendly. Shep has been with us some time, but is a great little dog " he is obedient and affectionate and gets on with female dogs, not keen on males but not aggressive just steers clear. He has his own little quirks and anyone willing to offer Shep the home he needs should be willing to put a little time in getting to know him. Treats will get you anywhere with him.

**BUCK - GSPCA (09096 76397)**

Terrier. A little bit shy at first Buck will need an understanding owner to help build his confidence. He is sweet and will make a fantastic pet for someone willing to give him the chance. Best suited for a home with no small children.

**PALMER - GSPCA (09096 76397)**

Palmer is a very handsome devil with a twinkle in his eye. He is active and playful and wants so badly to have his own home. Do you have time and energy for such a lovable guy?

**SHEILA - GSPCA (09096 76397)**

Female  
+6months  
very shy needs patient owner

**OCEAN - GSPCA (09096 76397)**

1 year old Collie, quite timid at first but has a really nice nature once she gets to know you. Is fine on lead and with other dogs. Fine with older kids. With time and patience from the right owner this dog will really shine as its clear she has so much potential.
